AVVERTENZE

WARNINGS / WARNHINWEISE / AVERTISSEMENTS

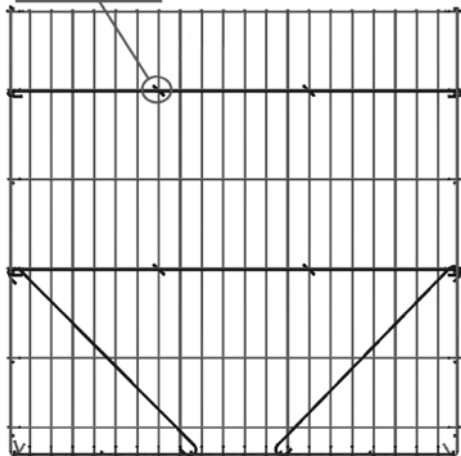

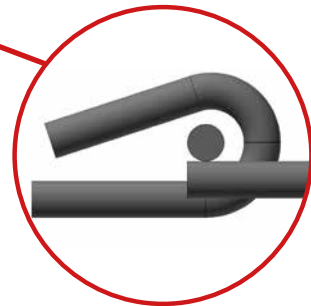

1. Dopo aver posizionato base e lati vicini, è sufficiente stringere con un martello o una pinza almeno 3 ganci dei lati attorno ai bordi della base.

After placing the base and sides close together, it is sufficient to tighten with a hammer or pliers at least 3 hooks of the sides around the side of the base.

Nachdem Sie die Seitenteile am Bodenelement eingehakt haben, müssen Sie mindestens 3 Schlaufen mit einem Hammer oder einer Zange umbiegen.

Après avoir placé la base et rapproché les côtés, Serrez avec un marteau ou une pince, au moins 3 crochets sur les côtés autour des bords de la base.

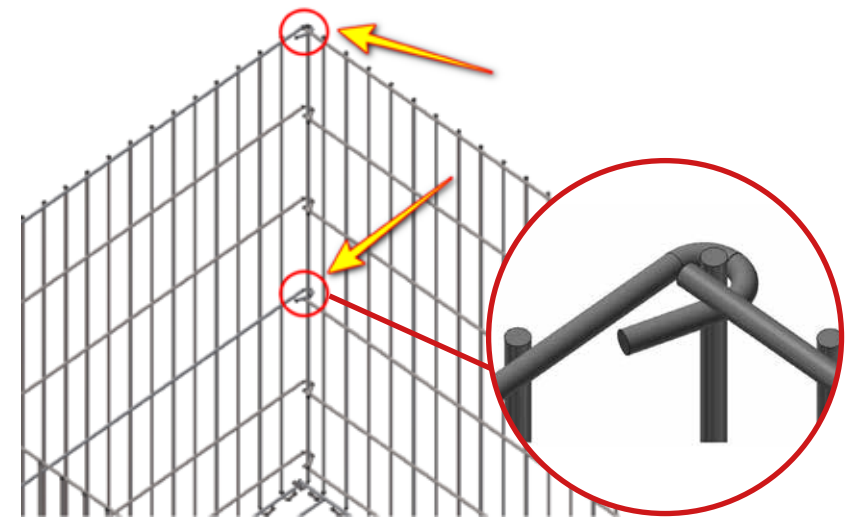

3. I tiranti lunghi devono stare al di sopra di quelli corti.

Long ties must stand above short ties.

Die langen müssen über den kurzen Stangen liegen.

Les tirants longs doivent être au-dessus des tirants courts.

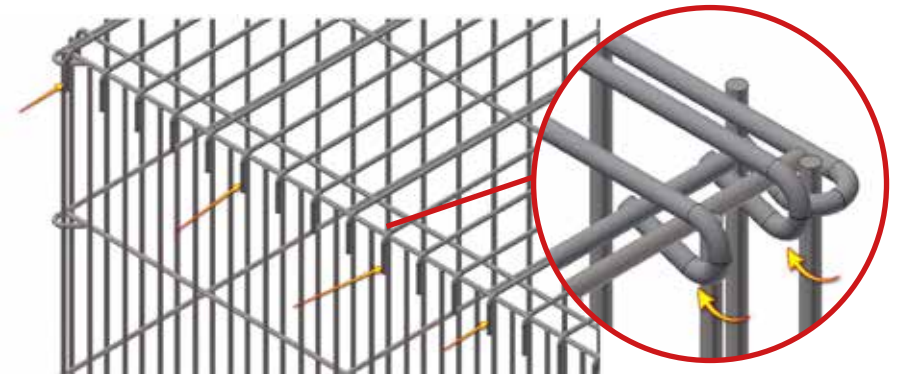

2. Per agganciare tra loro i lati è sufficiente chiudere il primo gancio e quello centrale di ogni bordo.

To hook the sides together, simply close the first hook and the central one of each edge.

Um die Ecken mit einander zu verbinden müssen Sie den obersten und mittlersten Haken umbiegen.

Pour bien fixer l'ensemble des côtés, fermez simplement le premier crochet et le crochet central de chaque bord.

4. Posizionato il coperchio, chiudere tutti i ganci verso l'interno del gabbione.

Once the lid has been placed, close all the hooks towards the inside of the gabion.

Nach dem aufsetzen des Deckels müssen alle Haken nach innen gebogen werden.

Une fois le couvercle posé, fermez tous les crochets vers l'intérieur du gabion.
